## **A LITTLE BIT ABOUT THE RBYM MOUNTAIN**

Just wanted give ya'll the info on a new thing we're doing here in the Youth Ministry: it's called the RBYM Mountain (and I'm UBER excited about it).

The Mountain has 4 camps; Base Camp, Mid Camp, High Camp, and Summit. For each Camp there is a handout with specific books and activities that must be completed. For example, once the climber completes the books and activities for Base Camp, he or she will then move to Mid Camp. The books are available in my office, but please talk with me before you take one. I'm going to need to keep track of the books in order to ensure that they're there for future climbers.

No doubt, this will be a long process. Several years, most likely. I'm ok with that -- discipleship to Jesus Christ is a LIFELONG deal anyway.

The leadership of the RBYM has talked and prayed about this extensively, and we believe that God can use the books and activities encouraged through the Mountain to grow and mature and disciple young people for the Kingdom of Christ.

Please pray that our teenagers will rise to the occasion and begin the climb. And if you feel like you'd benefit from the challenge, please feel free to join us. Each person who commits to the climb will put their name on a pin that will be attached to the Mountain at Base Camp (located in my office). Once they've completed Base Camp, they will move their pin to Mid Camp. We're in this for the long haul, and we're in this for the Kingdom. Let me know if you have any questions or comments. God bless!

All for ONE,  
Jonathan T.

### **Reasons for The Mountain:**

1. It will cause us to focus on eternity and God's stories.
2. It will help us live holy and pure lives.
3. It will encourage us to be excited about the things of God.
4. It will prepare us for storming the gates of Hell.
5. It will help us use our time wisely.
6. It will encourage us to Go Fish.
7. It will give us boldness in living as followers of Christ.
